EXTRA-CURRICULAR ACTIVITIES

Thesis work, Monitor

Completed a thesis project in collaboration with **Monitor** on **visualizing agile processes for distributed systems**, focusing on enhancing workflow transparency and efficiency.

Projects

Worked on a **sports website** using React and a **schema dashboard** project as part of a group at the University of Gävle, focusing on team collaboration and problem-solving. Additionally, completed multiple projects during the Fullstack Bootcamp at SALT, which can be viewed on my GitHub.
